

AACORN Auction Postponed

Due to unforeseen circumstances we have postponed the live and silent auction until fall. The auction event will be our fall fundraiser, date to be announced.

Silent auction donors, please hold your items until further notice. If your item has been delivered to AACORN, it will be kept safe.

Current ticket holders will be contacted for credit or refund.

We appreciate your understanding as we work with the venue and auctioneer to arrive at a date that will allow the event to take place as originally planned.
